- Risk management system
- Periodic safety update reports (PSUR)
- Pharmacovigilance inspection and audit readiness
- Qualified person for pharmacovigilance (QPPV)

As a Life Train signatory FORUM Institut follows defined quality criteria by IMI (Innovative Medicines Initiative). IMI is Europe's largest public-private initiative and a joint undertaking of the European Union and the pharmaceutical industry association EFPIA. One key aspect of IMI is the European Medicines Research Training Network (Pharma Train Federation), which offers a sustainable platform for education and training covering the whole life-cycle of medicines research. FORUM Institut submitted to an external Pharma Train audit and was recognised as a centre of Recognition.
